DECLARATION OF SHOUSUN C. SZU AND JOHN B. ROBBINS
UNDER 37 C.F.R. §1.132

RECEIVED
DEC 01 2003
TECH CENTER 1600/2000

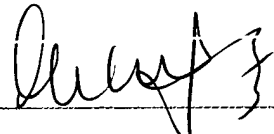

We, SHOUSUN CHEN SZU and JOHN B. ROBBINS declare as follows:

1. We have each read and understand the patent application of Szu *et al.*, Application No. 09/744,289 entitled VACCINES AGAINST ESCHERICHIA COLI O157 INFECTION.
2. We are each inventors of the subject matter that is currently claimed in the above-referenced application, and authors on the cited reference, Konadu *et al.*, *J. Infect. Diseases* 177:383-87, 1998.
3. Inventor and applicant Edward Konadu is deceased.
4. We are both in agreement that James C. Parke, Jr., Hung T. Tran and Dolores A. Bryla are authors on the cited reference, Konadu *et al.*, *J. Infect. Diseases* 177:383-87, 1998, but

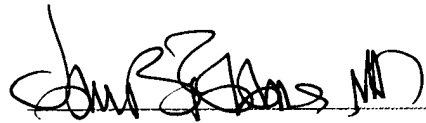

made no contribution to the subject matter that is currently claimed in the above-referenced application. Thus, Konadu *et al.*, 1998 is the publication of our work with Dr. Konadu.

5. All statements made herein of our own knowledge are true and all statements made on information and belief are believed to be true; and further, these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that any such willful false statements made may jeopardize the validity of the application or any patent issuing thereon.
